

application for a change of examination regulations

Name:

First name:

Student ID nr:

Telephone/Mobile:

e-mail:

@uni-bonn.de

I hereby **irrevocably** apply to change the examination regulations to the Master's degree programme for the winter semester/Summer semester _____ (please choose)

	Course of study (current enrollment)		Course of study (new) beginning WS 2025/26 Examination regulations 2025
?	M.Sc. Agricultural and Food Economics (AFECO)	→	M.Sc. Agricultural and Food Economics (AFECO)
?	M.Sc. Agri. Science and Resource Management in the Tropics and Subtropics (ARTS)	→	M.Sc. Agric. Science and Resource Management in the Tropics and Subtropics (ARTS)

According to the transitional regulations of the respective examination regulations. **All equivalent examination achievements (withdrawals with certificate, failed and passed modules) are transferred.**

Please note that, if applicable, previously completed achievements may not be recognised in the degree programme according to the new PO due to the new study structure and module plans or may be assigned to another study area.

I have taken note of the fact that the range of courses and examinations according to the new examination regulations will be introduced in stages. Courses and examinations from higher semesters will only be offered according to the new curriculum when the corresponding semester takes place regularly. I.e. in the winter semester 2025/2026, only the examinations of the 1st semester will be offered, in the summer semester 2026, the courses and examinations of the 2nd semester, etc.
